

## Nevada

Type*	Provision(s)	Description
AGY	Nev. Rev. Stat. Ann. § 232.475	The Office of Minority Health must, whenever possible, incorporate the use of bilingual communication in its programs and activities.
MEN, MFA	Nev. Rev. Stat. Ann. § 433.482(6)	Each client admitted for evaluation, treatment or training to a facility for mental health issues has the right to have reasonable access to an interpreter if the client does not speak English.
STA, CON	Nev. Rev. Stat. Ann. § 442.253(3)	To obtain informed consent for an abortion, if the woman does not understand English, the form indicating consent must be written in a language understood by her, or the attending physician shall certify on the form that the information required to be given has been presented in such a manner as to be understandable by her. If an interpreter is used, the interpreter must be named and reference to this use must be made on the form for consent.
HOS, TRA	Nev. Rev. Stat. Ann. § 449.730(5)	Every hospital shall post in a conspicuous place in each public waiting room in the hospital a legible sign or notice in 14-point type or larger, which sign or notice must provide a brief description of any policies and procedures the hospital may have adopted to reduce charges for services provided to persons or to provide discounted services to persons and must be written in English and Spanish.
HOS	Nev. Admin. Code § 442.405(2)	Neonatal care facilities must have a policy for the use of interpreters to address the needs of patients and their families who do not speak English.
XXX	Nev. Admin. Code § 449.5405(6)-(7)	If a facility for the treatment of irreversible renal disease admits more than 8 patients who read the same language other than English, all required written information provided by the facility to any of those patients must be written in that other language. Alternatively, an interpreter may be used.

\* Codes are available at the end of the document.

## Using the State Charts

---

The Charts present information for each state along three columns. The first column provides a three-letter code that signifies the subject matter of the law being cited. The second column gives the citation to the provision, and the last column offers a brief summary of the provision. The first column coding is as follows:

### Code Subject Matter

AGY	Government agency requirements (excluding hearings/legal proceedings)
CHC	Community health centers
CHI	Children's health (excluding EPSDT and early intervention)
CON	Consent (e.g. informed consent)
CRD	Credentialing or profiles for health professionals (e.g. nurses' aides testing)
EIS	Early Intervention Services for children and newborn screening
EPS	Medicaid Early and Periodic Screening, Diagnostic and Treatment Services
FAM	Use of family members, friends, children as interpreters
HEA	Hearings/legal proceedings
HHC	Home health agencies, personal care services, and adult day health centers (not related to mental illness/developmental disabilities)
HIV	HIV/AIDS
HOS	Hospitals
INS	Insurance carriers (may include health maintenance organizations)
INT	Interpreter standards/certification/qualifications
LTC	Long-term care, including nursing homes, assisted living (not related to mental illness/developmental disabilities)
MED	Medicaid

### Code Subject Matter

MEN	Services for people with mental health issues or developmental disabilities, including behavioral health services, habilitation services and Independent Living services (not facilities)
MCE	Medicare
MCO	Managed care organization/Prepaid in-patient/ambulatory health plan
MFA	Facilities for mental illness, ICF/MRs, and other facilities for the provision of psychiatric or mental health services
OAA	Services for the elderly or services under the Older Americans Act
PAY	Reimbursement/payments
PRO	Health professions standards/requirements
PUB	Public health
PWD	People with disabilities
RGT	Patient/client rights
STA	Sterilization/abortion
TRA	Translation
UNI	Universal
WOM	Services related to women's health but not abortion/sterilization
XXX	Other
