Case No.: 2:12-cv-12061-RHC-MJH
BRIEF STATEMENT REGARDING
STATUS OF RULEMAKING PROCESS
Judge Robert H. Cleland
Magistrate Judge Michael Hluchaniuk

In accordance with this Court’s October 31, 2012 order (*see* ECF No. 39), the government respectfully submits this eighth brief statement describing the current status of the rulemaking process.

On March 21, 2012, the Department of Health and Human Services (“HHS”), the Department of Labor, and the Department of the Treasury published an Advance Notice of Proposed Rulemaking (“ANPRM”) soliciting comments on potential proposed amendments to the preventive services coverage regulations to establish alternative ways to fulfill the requirements of section 2713 of the Public Health Service Act, 42 U.S.C. § 300gg-13(a)(4), and companion provisions under the Employee Retirement Income Security Act and the Internal

Revenue Code, when non-grandfathered health coverage is sponsored or arranged by certain religious organizations that object to coverage of contraceptive services for religious reasons and that are not exempt from the contraceptive-coverage requirement under the final regulations published on February 15, 2012. 77 Fed. Reg. 16,501 (Mar. 21, 2012). The comment period on the ANPRM closed on June 19, 2012. HHS, Labor, and Treasury received nearly 200,000 public comments on the ANPRM.

After considering the comments received on the ANPRM, HHS, Labor, and Treasury issued a Notice of Proposed Rulemaking (“NPRM”) on February 1, 2013. See 78 Fed. Reg. 8456, 8459 (Feb. 6, 2013). The comment period on the NPRM closed on April 8, 2013, and HHS, Labor, and Treasury are currently reviewing the comments. As explained in the government’s prior brief statements, HHS, Labor, and Treasury intend to finalize amendments to the preventive services coverage regulations before August 1, 2013.

Dated: June 3, 2013

Respectfully submitted,

STUART F. DELERY
Principal Deputy Assistant Attorney General

BARBARA L. McQUADE
United States Attorney
Eastern District of Michigan

SHEILA M. LIEBER
